INSTALLATION

Setup your Prophet 6 as described on Sequential website - www.sequential.com/prophet-6-factory-sounds

Make sure to backup your sounds from your Prophet 6 (locations 400-499) as described in the Prophet 6 user manual (page 55).

Use SysEx Librarian to load Wolf pack presets.

For example Midi-ox:

Select View > »SysEx ...«

This opens window SysEx View and Scratchpad

Select File > »Send Sysex file...«

This opens browser, select our .syx file

.syx is transmitted to your Prophet 6

Thank you for purchasing this Wolf pack!
